The map shows the area around the prefectural hall (佐賀県庁) in Saga. Three parking locations are marked with red boxes and numbered 1, 2, and 3. Location 1 is the underground parking lot (県庁地下駐車場) located near the main building. Location 2 is the parking lot on the south side of the old hall (県庁旧館南側駐車場). Location 3 is the parking lot for visitors inside the prefectural hall staff parking lot (県庁職員駐車場内来訪者駐車場). The map also shows the main road (Route 264) and the direction to Saga Station (至佐賀駅) indicated by a black arrow. Yellow boxes with the text '一方通行' (one-way) indicate the direction of traffic on the roads leading to the parking areas. Other landmarks include the prefectural library (県立図書館), the prefectural court (佐賀県庁), and various local businesses and hospitals.
